

# **Emergency Ambulance Services Committee: Action Plan**

This spreadsheet contains data tables pertaining to the Welsh Ambulance Services NHS Trust Ambulance Service on both a daily and yearly basis. We have edited these data tables and the accompanying cover sheet, table of contents and notes worksheet to meet the legal accessibility regulations. It is intended to be an accessible spreadsheet. The data has been quality assured by the Welsh Ambulance Services NHS Trust Health Informatics Department prior to submission.

Also inciluded is the Emergency Ambulance Services Committee action plan
